

FORD COUNTY FARMLAND ASSESSMENT REVIEW COMMITTEE

The Farmland Assessment Review Committee is a five member committee consisting of the Supervisor of Assessments, Chairman, the Chairman of the Board of Review or his designee and three farmers appointed by the Chairman of the County Board.

The duties of the committee include:

1. Review county's plan for implementing farm assessments
2. Review Illinois Department of Revenue Certified assessed values for farmland
3. Hold public hearing on certified values and county's plan
4. Based on review and public hearing either accept or reject certified values. If rejected, develop and submit alternatives
5. Provide technical assistance to local assessing officials
